Dear Freedom of Information Officer:

Attached please find a FOIA request for information related to specific animal feeding operations surrounding Grand Lake St. Marys, Ohio. As specified in the request, we are seeking a fee waiver and, should that waiver be denied, request you inform us of any anticipated costs so we can decide in advance whether to incur those costs. As FOIA requires, we expect your response within twenty working days of your receipt of this request. Please note, I have also placed a copy of this request in the mail.

Please let me know if you have any questions.

Best,

David S Muraskin
